

# Theme special

In collaboration with:

NEW:

Mobile with  
prosthesis

The themed special focusses on **innovative developments** and **technologies** in the field of **prosthetic mobility**. Take advantage of this unique opportunity to present your latest products, services or research results to a wide audience and help shape the future of mobility with prostheses!

## HIGHLIGHTS

- **Exclusive platform** for the presentation of **innovative prostheses, technologies** and **solutions**.
- **Networking** with **people with disabilities** and leading **experts** in the industry
- **Accompanying programme:** Lectures and sports programme on the topic of „**Living with an arm or leg amputation**“

# REHAB

Rehabilitation | Therapy | Care | Inclusion

THE 23<sup>RD</sup> EUROPEAN TRADE FAIR

Karlsruhe Trade Fair Centre

**22 – 24 May 2025**

### Be part of it and meet the following target groups:

- People with arm or leg amputations and dysmelia
- Physiotherapists
- Physicians
- Orthopaedic technicians
- Employees in medical supply retailers
- Associations and self-help groups
- Other visitors with an interest in prosthetic mobility

REHAB Karlsruhe is all about inspiration and showcasing technical innovations and solutions as well as services for **improving the quality of life** and **participation of people with disabilities**. Since 1980 it has established itself every two years as the most important platform for high-quality mobility aids and children's aids from Germany and other European countries.
